(PE 09/20/2003) Sending info req per Washington with 30 day suspense for reply.

[WSILBERMAN : 11/14/2003 11:02:00 AM]

Just spoke with Washington on this AM; They want us to send our request for information as per their letter of March 6,2003 and require that AM provide the material within the 30days and if not deny for FTP; To TJ

[TJULIAN : 11/14/2003 9:28:07 AM]

(PE 09/20/2003) Sending general denial for hx of somatization and anger management disorder. Because of size of file sent to file rather than scanning.

[WMILLS : 11/14/2003 9:23:31 AM]

Discussed case with KLB. We have massive amounts of old records including the 31 CD ROMs a/m mentions. I think the salient point is that we have no current favorable info. We will just deny as per my note below.

[WMILLS : 11/12/2003 10:28:37 AM]

I assume we must have a large old paper file on this a/m because there is very little scanned. I think this a/m will, in fact, require review by FAS office if he provides current info. For now, DENY for DQ mental conditions (hx of somatization, hx of anger management disorder). Tell a/m for reconsideration he would need to provide a P&P to our specifications, CS regarding his muscholskeletal symptoms, and (if we don't already have them) copies of past medical records regarding evaluation and treatment of somatization, anger management disorder, and other mental conditions.

[TCARTWRIGHT : 10/23/2003 4:22:10 PM]

Sent denial dup letter to airman and returned dup med cert request along with pymt of \$2. Sent copy of request and letter to scanning.

[MSELENSKY : 10/22/2003 2:09:23 PM]

I spoke with Dr. A. Saenger today. Washington DC will not work this new PE. AMCD will work this new PE. I will inform dupe desk to return \$2.00 check to airman and advise Mr. Talon that Sept 20, 2003 exam is currently under review in OKC.

[MSELENSKY : 10/21/2003 2:22:42 PM]

Retrieved file from JBIVINS. I spoke with Kelly Spinner in Washington DC - Dr. Lomangino's office. Washington will work this file. I faxed a copy of the Sept. 20, 2003 exam to Kelly in Washington DC. Discussed case with DHAGERTY. I will have the dupe desk return a/m's check for \$2.00 (the money sent for a duplicate certificate September 9, 2003) and advise him that his exam has been sent to Washington D.C. for further review and determination of eligibility.
