5-25-01 pe) File and large green envelope of CD's brought to me. Date stamped 2-6-02. No notation or instruction with file. Per Deloris, she did not know what I was to do with file and should call DC and talk to Dr. Poole. Called him this AM and he e-mailed eval from their office. It appears that Washington was to deny on 10/10/01. Attaching copy of e-mail to file and sending to file.

[KHATCHER : 08/16/2001 7:04:53 AM]

Request for Yodice and associates is complete, returning to file.
