I received another package from you today. As I indicated to you yesterday, a notice of appeal requires a fee. I can only suggest that you file a motion with this court for leave to appeal with a copy of the original document you sent as well as the FedEx verification from April. You may want to point out my error that I did not recognize the document as a "Notice of Appeal", therefore it was not properly filed and process; and that you are capable of paying the fee (the fee must be paid for the appeal to be processed if the judge grants your motion). You should file the motion ASAP and notice it before Judge Wedoff on 9/17 at 9:30. Send a copy of the notice and motion to the parties on the service list (especially Kirkland). To participate at this hearing by telephone, make an appointment two days before with the telephone vendor: 866-582-6878.
