Re: "Medical Fraud" – NTSB Docket NA-47

Dear Mr. Talon:

This letter acknowledges receipt of your correspondence dated May 15, 2006, and the approximately 185 pages of accompanying documents, as well as the September 12, 2006, delivery of approximately 250 pages of documents.

While not a direct request, your correspondence seems to allege fraud within the Federal Aviation Administration and an implied request for investigation. Please be advised that Ohio law does not authorize me as Sheriff of Cuyahoga County to conduct such an investigation, nor does this office have the resources to engage in an investigation of such magnitude.

Very truly yours,

Gerald T. McFaul,  
Sheriff of Cuyahoga County, Ohio
