Re: Airline Transport Pilot 299547468

Dear Mr. Talon:

This is in response to your February 14, 2007 letter to our office requesting that we provide you with the information regarding the Psychiatrist/Psychologist that will satisfy the requirements outlined in the FAA letters dated September 5, 2006 and July 21, 2006.

We have reviewed the information that you have provided and determined that the appropriate venue regarding your concern is with the FAA Civil Aerospace Medical Institute which can be contacted at the Mike Monroney Aeronautical Center, PO Box 26080, Oklahoma City, OK 73125.

We anticipate no further action in this matter and are closing our file.

Sincerely,

Pamela Steele-Nelson
