Dear Mr. Talon:

I am enclosing a copy of your medical file per your request of April 3 and returning copies of the CDs you provided as part of your medical documentation. In addition to that, there are 3 checks (each for \$10) numbers 1035 – 1037 you sent to me, Drs. Jordan, and Saenger included in this package. We are waiving the charge for copying your medical records. Checks for copied documents are not paid to individuals in the Federal Aviation Administration (FAA) but are addressed to DOT/FAA.

For your information, the cost for copying of medical records is 25 cents for the first ten 10 pages, and 5 cents for all additional pages.

Sincerely,

Nicholas M. Lomangino, M.D.
Acting Manager, Medical Specialities Division
